

women in manufacturing

INVITATION Women in Manufacturing Network Breakfast Seminar Series

Decision Making for Growth with Helen Lennie Sales and Marketing Director, Signature Prints

Since 1998, Helen and her husband, David Lennie, have been the driving force behind successful growth in their design and printing business Signature Prints. Specialising in premium textiles, wallpaper and limited edition art prints for the design and architectural industries, Signature Prints is gaining worldwide attention and acclaim for its exquisite collection of Florence Broadhurst prints as well as its own collection of designs.

Helen has been at the pointy end of many difficult business decisions and understands the challenges faced by women in manufacturing.

Come and be inspired by Helen's experiences at this, the first Women in Manufacturing breakfast seminar of 2008.
