

women in manufacturing

## INVITATION

### Women in Manufacturing Network 2008 Small Business September Special Event

Decision Making about Advisors  
Speed Networking Event for Members

Wednesday 10 September 2008

To coincide with Small Business September, the Women in Manufacturing network will be offering an opportunity for members and many advisors and consultants who can provide particular expertise to manufacturers to come together in a "speed networking" format. This event will provide the opportunity for participants to gain valuable experience in asking the right questions of themselves and their potential advisors, and for advisors to gain insights into the breadth of diversity of the members' manufacturing businesses in NSW, and the depth of the women's experiences and knowledge about their niche and potential for growth.

If you are interested in participating as either a new member or an advisor, please email [viola.lee@business.nsw.gov.au](mailto:viola.lee@business.nsw.gov.au)
